

# COACH CALL OUT

The popular San Remo NetSetGO! program is growing rapidly with lots of young children across Queensland becoming actively involved. The program can be implemented in Queensland Primary Schools with the aim to increase overall participation in Netball.

Netball Queensland are aiming to create a pool of San Remo NetSetGO! Coaches to run the School San Remo NetSetGO! programs. Coaches are asked to register their interest to be placed on the San Remo NetSetGO! coaching database. The details of coaching a School program are listed below -

## Coaching Details:

- Must hold a minimum Foundation Level Coaching Accreditation.
- Six week program, one hour sessions on weekdays after School.
- Payment: \$25 per session total of \$150 per program (to be paid in bulk at the end of the program).
- Coaching ratio 1:15 (1 coach to 15 participants)
- Coaches will only be sent information on School program coaching opportunities from their region via e-mail.
- The program coach will receive details of participants (number of and ages), A School Coordinator contact and a six week session plan to run the program prior to the start.
- Schools will have equipment to run the San Remo NetSetGO! program.

## Other Information:

- Majority of participants will range from 5 to 10 years.
- All registered participants will receive a San Remo NetSetGO! participant pack.
- Information on the San Remo NetSetGO! program can be found on the website [www.netsetgo.netball.asn.au](http://www.netsetgo.netball.asn.au).
