Coaching a PRNA Representative Team

PRNA Representative Teams

Each year Pine Rivers Netball fields Association teams across a range of age divisions. These teams represent Pine Rivers in all Netball Queensland competitions and other local Association Carnivals. Our Representative Team structure is an exciting pathway for players wishing to advance their skills or who aim for further representative goals.

Coaches play an important role in our Representative Team structure and we encourage all accredited coaches to become involved. Not only will you play a vital role in the development of our young Players but you will also gain experience and enhance your own coaching skills along the way.

How do I become involved?

Coach nominations are called for at the end of each year (November - December) with appointments being made during January of the New Year. This ensures that Coaches can play a role in the selection of teams that is undertaken during late early February each year.

To nominate you only need to complete and return the official PRNA Representative Team Coach Nomination form to the PRNA Secretary by the closing date. All nominations will be considered by the PRNA Executive with appointments being announced by mid January.
